Developed in response to the demand for a truly multi-purpose brochure holder, **TILT SLANT™** is a unique product. Produced in three sizes, each with four different applications, it can be used in a variety of situations and environments. Undoubtedly the most eye-catching product of its kind.

Initially designed for use with our own strip wall system, the **TILT SLANT™** is equally effective on a slot wall, screwed onto a plain wall or as a free standing literature dispenser.

The open sided design allows for the accommodation of even the most unusual sized literature, both in portrait and landscape format.

Sizes:

TS110: 1/4A4 (trifold)
TS160: A5 (half letterhead)
TS230: A4 (letterhead)

The versatility of the **TILT SLANT™** range is unparalleled.
